

# *The Premier Collection*

The Premier Wedding Photography Collections include a full days attendance from the very start of your day with the all-important bridal preparations, right through to the fireworks or evening dance. There are no extra costs to be incurred irrespective of the number of venues on your wedding day or for the time of attendance.

Unlimited photographs are taken on the day and your wedding album will be designed individually for you. The wedding albums included with The Premier Collections are of the highest quality; their stylish presentation will ensure that the record of your special day will become a treasured heirloom for future generations.

## **All Premier Collections include:**

- Pre-wedding consultation
- Pre-wedding visit by the photographer to the venue(s)
- Unlimited photographs taken
- Images taken in colour and available in Black & White or Sepia
- Airbrushing where required of skin blemishes
- Special effects and graphic enhancement
- CD of proof images, yours to keep.
- Printed proof album—yours to keep
